An act to amend Section 14536 of the Government Code, relating to transportation.

**LEGISLATIVE COUNSEL'S DIGEST**

SB 1418, as introduced, DeSaulnier. California Transportation Commission: annual report.

Existing law requires the California Transportation Commission to adopt an annual report for submission to the Legislature containing, among other things, a summary of the commission's prior-year decisions in allocating transportation capital outlay funds and an identification of timely and relevant transportation issues facing the state. Existing law, for the reports to be submitted between 2001 and 2008, requires a summary and discussion of certain loans and transfers of transportation revenues and the cashflow and project delivery impact of those loans and transfers.

This bill would delete the provisions relating to the loan and transfer summary and discussion that was to be included in the reports submitted between 2001 and 2008.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
